Brief Details.

On 30/11/2014 at about 0950hrs, I was on my way home driving my taxi (Red Toyota Wish) bearing the registration plate no. SHD332B along Jalan Benaan Kapal which is a one lane road. Subsequently, I realised a (Black Volvo) vehicle bearing the registration plate no. SKA9987H began to slow down and stopped at the roadside with no hazard lights on. His intention of stopping at the roadside was letting his kids to alight and cross over to the other side of the road.

Out of a sudden, he made a right turn and his right side of the vehicle hit the left side of my taxi while I was driving beside his vehicle. He then reserved his vehicle and parked at the side of the road to check his vehicle's damages. I then stepped out of my vehicle to make a check on my vehicle's damages and discovered my front bumper had dropped off.

We then exchanged particulars and I waited for the tow truck to tow my vehicle away as it was badly damaged. I then went to the nearest clinic to seek medical attention. I sustained some minor injuries on my neck, shoulder and back.
