Brief Details.

On 26/06/2019 at about 1200hrs, I was driving my vehicle (SKG35H) along Hougang Ave 3 (Towards direction Jln Eunus) on lane no 3. Upon reaching the X-junction of Airport Road, I noticed a lorry (GBG6481U) which was originally travelling on the opposite side of the road, coming out and turning right onto Airport Road. I then jammed my brakes. However I did not managed to stop in time and thus collided onto the left side of the lorry.

Upon exiting the car to make a check, I observed that the driver of the lorry just walking away to a nearby tree and sat under there. Thus I did not make any conversation with him. Due to the collision, I felt pain on my right wrist and neck area. Traffic Police later arrived ref F/20190626/0091 at scene and advised us to lodge an accident report. After leaving the scene, I went to seek medical treatment and was subsequently given 3 days of MC.

My car is equipped with an in-vehicle CCTV. However it was already faulty before the accident happened.
