Brief Details.

On the 05/07/2019 at about 0930hrs, I was driving along AYE and had just enter the slip road entering to Pioneer Road North with another passenger on board. As I was nearing the exit, I had slowed down and came to a complete stop as there were oncoming traffic. After stopping, I was checking for the road to be clear and as I was doing so, I felt a strong impact coming from the rear of my vehicle which had also caused my vehicle to be pushed forward out on to the roundabout.

After the impact, my vehicle came to a stop and I alighted from it to make a check. On alighting, I realized that the vehicle that had collided in to mine is a lorry bearing registration plate GBC8927J. I then made check on the driver of the lorry and began to exchange particulars with the said driver. After which I then took photos of the accident scene and left for work. On the same day at about 1300hrs, I started to feel discomfort on my neck and back area as such went to a nearby clinic (K.L. Tay Clinic & Surgery) for a check.

After checking, I was being given 1 day of MC (06/07/2019) with MC number: M14067. I am lodging this report for insurance claims
