SKETCH PLAN

LOCATION: Junction of central highland road turning towards marine bay

My car (SLW8801P) - after signaling - was about to make a right turn towards Marina Way (MBFC Tower 3) on second rightmost lane when a taxi (which is on the right turning lane ONLY) by the complete SLW2586C went straight instead and collided with the right side of my car.

It was a clear violation of traffic rules when the lane the taxi was in was only a RIGHT TURNING LANE. The intention to violate traffic rule to cause an accident was evidenced in the video - when the driver deliberately did a last minute signaling left to cut into my lane at the junction.

I/We declare the foregoing particulars are true in every respect.
