Dear Sirs/Mdm,

Further to our below email.

We have reviewed the matter and based on all the available information on hand, we are of the view that we do not have a good defense towards the claim submitted by the owner of SHD7182X. Kindly refer to the attached video footage from SHD7182X for your easy reference. As per video footage, third party taxi was stationary for few second, suddenly there is a jerk/impact on his taxi. As such, we are of the view that third party version is more credible. Therefore, we shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost.

If you feel strongly against our settlement offer to the third party, kindly let us have them in writing within the next 14 days i.e. by **30/08/2019**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Thank you.

Note: This video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.

Best Regards,

Hsiao Tong, Chew | Case Handler
