Without Prejudice

Dear Derek,

We refer to your below email.

Our Insured had strongly insisted that based on the video footage provided, your client after passing by a stationary vehicle did not keep to the leftmost lane, but instead, when at the bend, swerved to the right then back to the left

and stopped. Our Insured insisted that even though your client stopped, the rear right portion of the vehicle had been protruding in our Insured's path of way.

Our Insured is prepared to settle your client's claim on a 50/50 basis.

For your confirmation please.

Thank you.
