Brief Details.

On 30/03/2019 at about 0400hrs, I parked my company lorry, GBH1891Y at the service road at Rivervale Plaza. I then went to make delivery. At about 0410hrs, I returned to my lorry and there was a male subject who asked me if the lorry is driven by me. He told me that earlier he was driving another lorry, JSS8547, and had accidently knocked into the right side of my lorry, near the rear. There was some scratches and dents. We then exchanged particulars.

I wish to state that no one was injured during the accident. I am not sure how the accident happened as there was some communication issue between me and the other driver.
