**Brief Details.**

On 12/07/2019 about 1115hrs, I was driving my company (Aetos Security Management ) vehicle bearing registration number SML2594Y. I was with my colleague namely, Al-Alfiqqullah (87487894) whom was seated on the front passenger seat.

As I was at the T-junction of Bedok North road and Bedok North Avenue 4, the traffic light was green for me this I proceeded forward into the right turning pocket. I then realized a female pedestrian was crossing the road thus I came to a complete stop at the turning pocket (right lane).

Seconds later, a silver car collided onto the rear left side of my car. The car's registration plate is SKG8308T (Silver Toyota Camry).

We then stopped our cars at the side of the road and exchanged particulars. There is camera installed in my car. I wish to state that no one was injured. My company is aware of the accident.
