Hi Veron,

Thanks for the input.

We are having difficulty explaining to insured. The vehicle damage is very very minor, just some slight scratches which can be seen as per attached. The repair cost is excessively high, \$8K over.

Please do let u know the basis.

Thanks
Kelvyna

Dear Kelvyna,

According to surveyor, it is related to the accident. Once the tailgate replaced, it is necessary to replace the rear windscreen, rear windscreen formed part of tailgate assembly.

Dear all,

Need advice. The damage to the third party is seemingly minor, however we noted that there is a rear windscreen replacement? Is this related to the accident?

Thanks

Kelvyna
