Brief Details:

I was traveling down Buangkok Drive when I signalled my intention to turn right into Rivervale Link. However, as I was approaching the T-junction, the traffic light changed from green with green arrow to green without any arrow. Thinking it was safe to proceed as the vehicles coming from the opposite direction were still not moving, I continued with my right turn. However, before I knew it, the vehicles started moving forward as I was completing my right turn and hence did not brake in time to avoid collision with a motorcycle coming from Lane 1. The motorcyclist proceeded to fall onto the floor upon trying to brake. There were about three witnesses of the accident, one of which is Mr. [REDACTED] the owner of the car behind the involved motorcyclist.

Thank you.
