Brief details.

On 12/07/2019 at about 1835hrs, I was outside One Raffles Place Mall and was sitting on the bench talking to my client. My client was sitting on my left and therefore I shifted my body to the left to talk to her. Before that, I placed my clutch bag on the bench on my right and it was in close proximity with me. However, the bag was not leaning on my lap or whatsoever. At about 1845hrs, I then turn to my right and saw that my bag was stolen. I then called my sister for help. We then checked the 'Find My iPhone' App

however it was not detecting as the phone had been switched off. At about 1920hrs, I then saw that the phone had been switched on and the estimated location was at Pasir Ris. I then quickly called my phone and a Chinese lady answered the phone. She then informed me that my bag had been left unattended inside the mrt and was placed on the seat opposite her. I then told her to hold on to my bag while I travel to meet her. At about 2110hrs, I met the lady and she further explained that she did not know the person that placed my bag on the seat. She also added that there was not a lot of people in the MRT at that point of time. Upon checking my bag, I then realized that my wallet had been stolen. However, the rest of the items inside the bag was intact.

I do not have any suspect in mind and there are CCTVs at the One Raffles Place Mall. This is the first time that this has happen to me.
