Brief Details.

I am driving on Orchard Link Road, planning to turn right into Orchard road.

While approaching the red light, a red colour SIA Hop On bus cut into my lane and his rear bumper brushed into my left front fender and bumper. This was in front of Mandarin Orchard Hotel

I tried to chase after him. When the driver stopped at the next nearest bus stop (in front of Heeren) to pick up tourists, I stopped beside him and horned to him to get his attention.

He opened the window and I told him that he knocked into me. He claimed he wasn't aware and didn't feel anything. I asked him to see the damage of my car, red pain matching his red bus. He still denied.

After which we were horned and pushed to leave by the vehicle behind me.

I tried to find a safe place to stop but found it impossible as the 1st lane was full day dedicated bus lane and traffic was heavy. There were many buses and I was worried I would be blocking traffic if I stopped in the bus lane.

I also could not use my cellphone to take a picture of bus license plate as I was driving. By the time I was in front of centerpoint, the SIA bus was very far behind me.
