**Brief Details.**

On 03/08/2019 at about 0520Hrs, I was driving company lorry GBC3149X along Hougang Street 21. I drove on the third lane as soon as I discovered that there was road works in the middle of the road. While I was on the third lane just before the road works, I hit onto the two green railings located along Hougang Street 21, beside Blk 207. As a result, two green railings was dislodged and damaged. The grill and bumper of the lorry was badly damaged and was dented. I immediately stop and place the damaged railing aside and took several photographs before I leave.

I have already informed my employer about the matter and was instructed to lodge a traffic report. There is no in-car camera installed in the lorry. No injuries found on me and no other party was involved.
