Brief Details.

On 28/07/2019 at about 0945hrs, I was driving my car, SJS2080L, together with my girlfriend as the passenger and was exiting The Hillside Condominium. As I inched out slowly, I suddenly felt a strong impact on the left of my car. I then discovered that there was a man on a motorised unicycle that hit into my left front passenger door. I then alighted from the car to make a check. The subject was not injured at that point of time and no ambulance was called. We then exchanged particulars and he informed that he is a US citizen, is working for the US government (US Navy) and has been staying in Singapore for about four years. His particulars are:

Barry Lonnel Searles

Address: 19 Rasok Drive S(737962)

HP: 88691934

There are dents on the front passenger door and it is out of alignment. The rear door was also dented due to the impact. This shows that the unicyclist was travelling at a great speed to cause such a strong impact/damage to the car.

After exchanging particulars, the subject then rode off on his unicycle. I have an in-car camera installed but it did not capture the collision. There are CCTV at the condominium gantry but I am not sure if the location of accident is in its coverage.

Later, a condo resident approached me to inform that she was behind my car at the time of the accident and witnessed the accident, and provided me with her contact number; Lina HP: 91088424. I called my insurance company AIG and was advised to make a police report as it involved a unicyclist and a foreigner.
