Dear Ms. Norsiah,

The above matter refers.

Kindly be informed that we have contacted our Insured's workshop and was informed that the Insured's counter claim against Third party was successful on a 100% liability basis.

Also, based on Insured's video, we noted that the third party vehicle had collided into Insured vehicle rear side portion whom was stationary in his rightful lane. As such, we are of the view that liability is down against third party.

We seek your instructions to reject Third party's claim based on the reasons above.

Your approval please.

Thank you.

Best Regards,
