Brief Details.

On the 02/09/2018 at about 1302hrs, I was riding my motorcycle bearing the registration plate number FBJ9888U along Sengkang West Way. While near the junction of Sengkang West Way and Fernvale Link, I noticed that there a vehicle turning right to Fernvale Link on my opposite direction. After the vehicle had turn right, there was one taxi bearing the registration plate number SHD3625L behind the said vehicle. At the point of time, I was traveling straight, suddenly the front right of aforesaid taxi collided to the right side of my motorcycle and causing me to fall off from my motorcycle.

Traffic police and ambulance came and attended to us. I was then conveyed to Khoo Teck Puat Hospital as I suffered abrasions on my right arm and pain on my right ankle. I wish to state that there was one passerby witness the accident and had provided his name and contact (Sahlan, +65 90064459).

I was advised by the traffic police IO to lodge a traffic accident report. As such, I am lodging this report.

Brief Details.

On 02/09/2018 at 1255hrs, I was driving my taxi bearing registration number SHD3625L along Sengkang East Way. As I reached the junction of Sengkang East Way and Fernvale Link, I entered the turning pocket as I was making a right turn into Fernvale Link. The lights were green in my favour when I started to turn and an oncoming motorcycle FBJ9888E emerged in the opposite direction heading straight. I could not stop in time and the motorcycle hit the front bumper of my taxi. I then alighted to make a check on the rider and he informed that he does not need any ambulance. The rider asked me if I wanted to settle privately however I informed the rider I would not be able to do so. Soon after, the passer-by started calling ambulance and police. I also noticed some bruising on the rider's hand. Ambulance soon arrived and paramedics made a check on the rider before conveying him. Traffic Police also attended to the accident and I handed over my SD Card as my taxi was equipped with a car camera. I was advised by the traffic police officer to lodge a traffic accident report.
