Brief Details.

I was driving at 10-15km/hour along Holland Grove Road towards Holland Road approaching Henry Park Primary School to fetch my son from school. I signaled right turn towards the school gate and there was no vehicles on the opposite lane. As I turned right, immediately another car who tried to overtake a vehicle behind my car crashed into my driver's door ( I saw my in car camera front and rear). I stopped immediately and ran towards the other car to check if the passengers are injured as the other car crashed into a railing and stopped there. One of the witnesses who is also a parent fetching his child from the school called and reported to police. Ambulance came and traffic police officers assisted the situation.
