**Brief details.**

On 11/08/2019 about 9pm, I was on the way back Singapore in my vehicle SCW9881H (BMW 730 black in colour), on the slope road leading to the JB customs. When the two lanes merge into one, I accidentally kisses the side of a Toyota car SFX5388S (driver name Jasper Chan Yuhui S8843820E) which resulted in very slight scratches. We didn't stop on the spot to take photo and exchange NRIC as there was a huge jam at the causeway that day. After clearing the Singapore customs, we stopped at the Singapore customs side to determine the damages. We are suppose to privately settle the matter as I offered to pay for his repair cost, either at his workshop or my workshop. Upon his request I arranged for him to visit my

workshop for the repairs and I will fully pay for the cost. Later on, he asked for transportation cost which I agreed to pay. However, he further asked for compensation of loss of income (\$200-\$250 per day) which I refused to pay as I reasoned with him that car insurance doesn't pay for loss of income unless there is injury involved. Because of my refusal of to pay for his loss of income, he told me he will report to IDAC. Then, I told him that I will file a Police report and asked for his NRIC and car ownership details. At first, he told me that this is rental car but later revealed that the car belongs to a friend instead after I told him that I will file a Police report. He didn't reveal the car ownership details after that.

I am lodging this Police report for my own record purposes. There is no assault no threat happened.

Just for loss of use of car, ie transportation, the usual car insurance claim. If not, if someone knock a billionaire car, and u can claim for loss of income, that will be millions of dollars per day, then still who dare to do car insurance?
