Brief Details.

On 17/09/2018 at about 0810hrs, I was driving my vehicle (SGD2008L) along Havelock Road towards Upper Pickering Street at the traffic light junction. It was four lanes, I was driving at the 2nd lane from the left and it was heavy traffic jam. While moving slowly, vehicle B (SKG14T) from the left lane drove to my lane in front of me (I could not recall if vehicle B signal to alert me that the driver will be driving to my lane) and I came to a stop.

Subsequently, I change lane to the right and side by side with vehicle B as the traffic light was red. The driver of Vehicle B wind down her window and informed me that she felt that I hit her rear bumper on the right side. I told her lets alight our vehicle and check for any damages but she did alight from her vehicle, the traffic turns green and she drove off.

Upon reaching my boss's working place, we check for any damages but to no avail.

On the 16/11/2018, I received a insurance letter claiming from vehicle B.

I wish to state that there is no in built car camera.
That is all.
