Brief Details.

On 15/08/2019 at about 1800hrs, I was driving my vehicle registration plate number SLG3442J along Hougang Street 93 towards Hougang Street 91. I was filtering out from single lane road into a two lane road. I was travelling along the left of two lanes road. I observed that one white school bus registration plate number PC2184J whom was in front of my vehicle went to the right lane and was signaling left. As I was travelling straight, I assume that the bus PC2184J left signal was for his initial filtering lane. I then just continue to drive straight. The bus PC2184J then suddenly made a left turn into Hougang Secondary School. The said road is a school zone road.

The bus PC2184J then collided onto my vehicle right rear. Due to the impact, I was unable to control my vehicle. I then drove forward and collided onto the railing along the road side. The bus PC2184J then continued and drove into the school. The driver of PC2184J then parked his vehicle in the school and came to me. I then called for police assistance.

My in-built CCTV media card was handover to the traffic police. I am not sure the number of passengers in the bus.

During the accident, no one required at medical attention. After the incident, I then went to Sengkang General Hospital for medical check and was given 5 days' medical leave.
