**Brief Details.**

On 9/8/2019 at about 1130hrs, I was driving my company lorry (YP4890R) along the left lane of the 20 lane road of Kian Teck Avenue towards International Road. As I was approaching the X-junction of Kian Teck Avenue and International Road, I stopped my lorry at the stop line and observed the oncoming traffic. I then observed that there were no vehicles. As such, I proceeded straight to First Lok Yang Road. Suddenly there was a black Toyota car (SJF1220A) coming from the left (International Road towards Corporation Road). I then applied the brakes but could not stop in time. As such, the front left side of the lorry had collided with the left portion of the car. We then alighted from our vehicles and subsequently, ambulance and traffic police arrived. Nobody was conveyed to hospital. No visible injuries. The front left portion of my lorry was damaged. The front and rear right passenger doors were dented due to the collision. No in-vehicle cameras inside my company lorry and the other car.
