Brief Details.

On the above-mention date, day, time and location: North Bridge Road turning to Bras Basah Road towards Nicoll Highway. I was driving my car SJJ785E on the 2nd left lane. The 1st left lane is a turn left only while the lane I am on is turn left and go straight. When the light turn green, I move slowing turning to the left after signalling left, after confirming there is no pedestrian at the crossing. As I was moving off, a car from my left drove straight and hit on my front left side of my car.

The said car, a black suzuki swift did not stop despite I keep honking at him. I then had to chase the black car and manage to get his car plate number, SJC962P. Even when we manage to be side by side at a traffic light he refuse to come out of his car. He then drove off when the light turn green. I am making this report for police further action.

I have a few videos, pictures of the accident and damages.
