Brief details.

Between 11.50 - 12.00PM, i was riding my motorcycle vehicle: FBC7765R and i met an accident with a black colour car. The black colour car had made the sudden brake due to there was an accident infront the black car. I was travelling at the speed limit between 60-70km/hr. Then i was shocked due to the sudden stop by the black car and trying to react to the situation by applying emergency brake so that i wont collide with the black car. As the distance was too close, the amount of brake apply was unable to avoid the accident therefore i had bang at the back most left side of the car.
