Please note that I did stop to look at the damage of the other car but as it happened at a very busy road & there was traffic build-up, I stopped only for a very short while, seeing that the damage to both cars was minimum.

Dear Mdm Tan,

We refer to your below email.

Kindly furnish us a copy of the Letter from Traffic Police for our review.

Meanwhile, the Third Party repairer had quoted us the cost of repair at around \$450.00 (before our surveyor adjustment).

Thank you.

Thank you for the information forwarded. However, I've just received the Traffic Police's clearance and I am not convicted for any offense.

How much is the Claimant asking for? I am not suggesting you are not doing your professional duty but I hope you have also taken into consideration that I was not in the wrong.

Dear Mdm Tan,

We refer further to the below email.

Please be informed that we had received the video footage from the claimant and a copy of the Traffic Police Letter which states that action will be taken against you / your driver for this accident. We believe that you should also receive the same copy of the letter.

In view of the evidence and Traffic Police Investigation result, we are of the view that this is not a good case for us.

As such, we will proceed to settle the claim from the claimant amicably.

Thank you.

I'm afraid I don't have any evidence since it was not a big thing at that time. I think the other party is trying to be taking advantage of the situation for their own benefit.

Thank you for your note of 6Sep, informing me of the developments in the above case.

Please be informed that I consider to be the aggrieved party as SLR1419H knocked into me and dented my car. As this dent is not so big I'm not making a big fuss about it but it appears that the other party is, for what ever reason unknown to me. I don't think SLR1419H was damaged and may I know what kind of compensation are they talking about.

Kindly let me know what is the next step. I would be most annoyed if my many years of NCB is damaged by this incident.

Thank you for your attention to this matter.
