Brief Details.

On 24/08/2019 at about 1035hrs, I was driving my vehicle bearing vehicle number SLL3002U along Airport Rd. As I was approaching the junction of Airport Rd and Hougang Ave 3, I observed that the traffic light was still green in my favour. I then proceeded on. Suddenly I saw another vehicle bearing vehicle number SLP7019A that was driving on the opposite lane/direction making a right turn onto Hougang Ave 3 from Airport Rd. I tried to make an emergency brake but was unable to do so. My vehicle then collided onto the mentioned vehicle.

We then stopped by the road side and alighted from the vehicle. We exchanged particulars also. No one informed that they were injured at the point of time.

However, on the same day in the evening, I felt pain on my neck, upper body and lower back area. I then consulted the doctor and was granted 3 days MC.

That is all.
