Brief Details.

On 26/08/2019 at about 0800hrs, I was driving my car along Mandai Road heading towards direction of BKE near to Lamppost 289. I was then driving behind a car when the said car did a sudden hard brake and came to a stop. I managed to brake in time to avoid colliding into the said car. My car had then come to a complete stop. I had also checked my rear view mirror and could see that the vehicle behind me had also managed to stop. Suddenly I felt a hard jerk from the rear of my car. I then alighted from my car and made checks. I then found out that a car SMG5418E had hit onto the van, GBE5082E, which was behind my car causing the van to hit onto my car. We had then managed to exchange contacts.
