Brief Details.

On 24/08/2019 at around 1220hrs, when I was returning back to my vehicle (SDL1221L) which was parked in one of the lot at Far East Plaza basement carpark. I was approached by a passerby (Joe, 97688641) who informed that he had witness a driver (EB1234R) had hit my vehicle while driving off from their parking lot which was to the left of my vehicle.

As a result of the collision, the front left side of my vehicle was badly scratched, and there were also cracks on the left headlight of my vehicle. There was no notes left behind by the driver to inform of the collision. I have contacted my insurance company regarding the incident and I was advised to lodge a Police report first. I do not know what is the estimate repair cost for the damage. I do not have any in-car camera installed.
