Dear Mr. Loh Chee Heng,

Based on the Insured's video footage, we noted that both Insured vehicle and Third party were turning at the same direction however, third party vehicle had encroached into Insured's lane whilst turning.

We have queried on the liability status of Insured's counter claim and were informed by the Insured's workshop agent that the Third party Insurer (NTUC Income) confirmed via e-mail (as attached) that the liability is down against their insured.

As such, we suggest to reject the Third party's claim.

Your approval please.

Thank you.

Best Regards,
