## DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I signalled and intended to shift lane to the left when the accident happened. I was on the third lane.

When I was slowly changing of lane from 3<sup>rd</sup> lane to 4<sup>th</sup> lane. With my vehicle was still in lane 3. Suddenly a vehicle from lane 4 didn't slow down and drive by, which then it happened to glare pass and left a mark on the front left portion of my vehicle.

With totally no impact, it was a rubbing by pass type of collision. With no injuries with both side of party.

Which then I alighted from my vehicle and I don't see any dent on my vehicle. And both of us were then discuss for private settlement, of amount of \$695 for repair of his vehicle, but was then being called off as of because he insist of demand of his loss of income due to the accident and insist for a unreasonable amount of compensation. As (smm 80x) was a rental vehicle, over at the rental company, they are willing for private settlement as the damage suffered was too mild to proceed for accident claim. But due to the driver of the vehicle persistent and insist to proceed with claim. I had to proceed to report to my insurance for a reporting purposes.

Vehicle A - skw 94445

Vehicle B - smm 80x
