CONTINUATION OF REPORT

#### Brief Details.

On 15/8/2019 at around 10.15pm, I was driving my car (SJT643X, black, Toyota) into the carpark of B/64 circuit Rd. A lorry (white, believed to belong to a construction company) was exiting the carpark and hit onto the rear of my car. I continued driving into the carpark so as to not disrupt traffic. However, the lorry did not stop at the side and just continued driving off. I was unable to get the license plate or particulars of the driver.

My car suffered deep scratches near the right rear wheel. I estimate the damages to cost \$400 to repair. I do not have any in-car camera. The lorry's front right headlight had shattered due to the impact.

Traffic police was at scene and informed me to lodge a traffic report vide G/20190815/0220. No one was injured.

#### Brief Details.

On 15/08/2019 at around 10:15pm, I was driving my car (SJT643X, Black, Toyota) into the carpark on B/64 Circuit Road. A lorry (GBH9054G) was exiting the carpark and hit onto the rear of my car. I continued driving into the carpark so as to not disrupt traffic. However, the lorry did not stop at the side and just continued driving off. I was unable to get the particulars of the driver.

My car suffered deep scratches near the right rear wheel. I estimate the damages to cost \$400 to repair. I do not have any in-car camera. The lorry's front right headlight had shattered due to the impact.

Traffic police was at scene and informed me to lodge a traffic report vide G/20190815/0220. No one was injured.
