Dear Ms Liew,

My sincere apologies for the late reply. As per my preliminary inspection, the cause of fire seems to be electrical. I am waiting for the servicing records from the workshop as well as to speak to the driver as he is on leave. He will be back on Monday 16/09/19. I am in the midst of completing my report. I shall forward it to you once my senior has reviewed. it.

Thank you.
