**Brief Details.**

I am working as a Personal Driver for Golden Capital Pte Ltd. On 22/08/2019 at about 3.16pm, I was driving my company's vehicle registration number PC6458T along Newton Road heading to Scotts Road. At that point, I was at the 2nd lane from the left wanting to turn into the roundabout of Newton Circus. The traffic light was green which is my right of way.

While I was making the left turn after checking the road was clear, I heard a loud horn before an accident happened. After which, I decided to turn into Keng Lee Road waiting for the unknown vehicle that hit onto my vehicle as I wouldn't want to block another other road user. But instead, the unknown vehicle drove off towards Scotts Road vicinity as such I unable to take down his vehicle number.

During the accident, my boss's domestic helper was in the vehicle. I have reported the matter to my boss on the matter and was advice to lodge a police report. I wish to state that my company's vehicle has in-built camera for front and rear view. Lastly, I wish to add that neither me nor my boss's domestic helper were injured. I am lodging this report for police assistant as well as insurance claiming. That's all
