Brief Details.

On 6/9/2019 at around 1405 hours, I was driving along Ang Mo Kio Ave 3 with my wife and two sister-in-laws and I stopped at the traffic light when the red light came up. While waiting at the traffic light, a Police car (QX701H) suddenly hit my car from the rear. Nobody was injured at the moment and no ambulance was at scene but my wife and I felt some pain in the neck. Traffic police came shortly to the scene and advised me to make a police report. Traffic police also took my in-car camera SD card for their investigation. I was informed IO Farlan (65476224) is the in charge for this case with the report number F/20190906/0115. My car and the police car has some dents in the rear and front of the car respectively.
