Dear Mr Donald,

Our surveyor has finalized the Cost of Repair at \$380.00 to the claimant's vehicle. They did not replace any parts and it's only labour for remove and refit parts and spray paint on the affected areas.

We attached some inspection photos taken by our surveyor for your reference.

Kindly lodge the GIA report as soon as possible if you has yet to lodge.

Thank you.

Dear Carlor,

This is to acknowledge receipt of your letter CC6/AIG19016004/Ubd3 pertaining to the subject matter.

As spoken earlier, my car did came into contact with a parked vehicle whilst reserve parking at Telok Ayer Street. I came out to check and found that there is no apparent damage to both vehicle then I realise that both cars are not in a designated parking lot but instead in a coach bay. After waited for a while, I drove off to find a legit parking lot and since there is no damages to both vehicle, I did not make any report as such.

Interesting to know what are damage claim been lodged against my car insurance which please provide for consideration of amicable settlement.

Thank you.
