Brief Details.

On the stated time and date, i was driving my vehicle number SJK1654E at Mandai road towards SLE woodlands.

I wait for the traffic to clear so I could turn right to SLE , The car infront of me proceeded to make the turn and I followed suit. While I was making the turn , all of a sudden a car hit me from the side with an impact so big that it is likely that the car was travelling at a significantly higher speed than 70km/h. I have pictures showing the damage done to the car I was driving.

Me and my passenger which is my mom and sister felt uncomfortable , we was conveyed to KTPH by ambulance.

My mom was still in hospital when I submitted this report.
