Without Prejudice

Dear Sirs/Madam,

ACCIDENT INVOLVING SHD 5409G(AXA) & SLM 5021X ON 19/09/2019

We refer to the above matter.

We have reviewed the matter and we are of the view that our driver is not liable for the accident. There was no U-turn sign located at the junction for your client to make a U-turn. Your client is to be blamed for making illegal U-turn and leads to this collision.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

"Please note that our proposal and correspondence with you is strictly on a without prejudice basis and should not be construed as an admission of liability on our part and/or that of our policyholder and/or the authorised driver. The terms of our without prejudice engagement should not be disclosed in any other related matter(s) in respect of this accident nor should it be binding in any other related claims."

Best Regards,
