Brief Details.

On 01/09/2019 at 1630hrs, I was driving my vehicle, SMF7653J, along Boon Lay Way Towards Commonwealth Avenue West. I had one passenger with me namely, Elena Tangtra, hp: 96263089. I was travelling along the second lane from the left. When I was approaching the cross junction of Boon Lay Way and Jurong Gateway Road, the traffic light was in my favour. I proceeded forward. When I just reached the junction, another car, SKG5584G, from the opposite direction started turning right. I was unable to stop on time and the front portion of my car collided on the right side of the other car. Traffic Police and Ambulance were at scene. No one was conveyed. Subsequently both my passenger and I went to Gleneagles Hospital to seek medical treatment. Both of us were given 3 days medical leave. My car is equipped with car camera and I have the footage of the accident.
