ACCIDENT INVOLVING GU 9394K(EQ) AND FBE 6158P ALONG/ AT JUNCTION OF LORONG BAKAR BATU AND KALLANG WAY ON 17/09/2019

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, EQ Insurance Company Ltd to deal with the third party claim against your policy.

We have received a claim from FBE 6158P against your insurance policy.

Based on the accident report and accident scenario, liability is not in your driver favour as he was making a right turn and collided with third party who was riding straight. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by 01/11/2019, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.
