Brief Details.

On the 2 October 2019 at about 1330hrs, I was exiting the open carpark of Blk 80 Marine Parade Central (MP12 exit). As there was a car bearing plate number SJS3440A, that had issues exiting the gantry. While it was reversing, it hit the front bumper of my vehicle bearing the plate number SMG5316R.

I wish to state that the car reversed for several times before it hit the front of my vehicle. The driver of the said vehicle immediately got out of the car and apologise. He said that the car did not belong to him and suggested that I follow him to his boss's house which is located at 47 Marine Terrace. When I met with the owner of the car, he commented that I did not have any CCTV. Also from the way the bumper was damaged, he claims that I might have moved forward instead. I wish to state that we had a dispute as I told him that his worker was at fault. He scolded vulgarities and I left the place. I seek medical treatment at Thai Shenn Family Clinic Pte Ltd. I received 3 days of medical leave. My car has a damage at the front bumper. I have liaised with CBM Parking to retrieve the CCTV footage of the accident and they infd that they will require a police report.

I wish to state that the driver at the time of the accident is Karuppaiya Dharmaraj (G8095673N).
