WITHOUT PREJUDICE

Dear Johnson,

The above matter and your e-mail below refers.

Based on all documents at hand and on the videos provided, we noted that third party was following the blue taxi and then had changed lanes whilst turning and our Insured was travelling in his own lane.

We opine that your client should have ensured proper lookout and ensured it was safe before changing lanes.

As such, we have our principal's instruction to reject the claim and that we are unable to look into your client's claim.

Thank you.

Best Regards,

Khanchna | Case Handler
