Without Prejudice

Dear Sirina,

We refer further to our below email.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, it was observed that our Insured was travelling along the main drive way when your client's vehicle moved out from the parking lot which resulted in the accident. Your client must check and give way to vehicle on the main drive way before moving off.

As such, under BOLA scenario 24, we have our principal's instruction that we are unable to look into your client's claim.

We will now close the matter in our end.

Thank you.

Best Regards,
