Your Ref: **SKQ 8849X** Without Prejudice
Our Ref: CC4/ASM19017509/Ggb3

Dear Sirs/Madam,

ACCIDENT INVOLVING SGT 68S (AXA) & SKQ 8849X ON 18/09/2019

We refer to the above matter.

Attached is a copy of our insured car video footage and accident scene photo for your easy reference. We have reviewed the matter and we are of the view that our driver is not liable for the accident. Our Insured has been in the queue towards the exit right behind the motor bike and your client's vehicle has not fully turn left to the exit. Your client is to blame for insisting to squeeze his vehicle towards our client vehicle.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

Note: This video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.

"Please note that our proposal and correspondence with you is strictly on a without prejudice basis and should not be construed as an admission of liability on our part and/or that of our policyholder and/or the authorised driver. The terms of our without prejudice engagement should not be disclosed in any other related matter(s) in respect of this accident nor should it be binding in any other related claims."

Best Regards,
