## Brief Details.

On 03/10/2019 at around 1218hrs, I was driving my company lorry along Clementi ave 5. I moved into the lane that is turning left to merge onto Clementi Ave 2. I stopped behind a blue coloured Comfort taxi. I then proceeded to check on the oncoming traffic from Clementi Ave 2 and the first lane was clear. As such I, stepped off the brake and the lorry started to roll forward. Subsequently, I felt an impact and immediately stepped on the brakes. I realized that the taxi in front of me did not move despite the first lane being clear for a considerable amount of time.

I then got out of my vehicle and apologized to the taxi driver. He was unhappy and I offered to settle the matter privately. However, he refused and informed that he wanted to lodge a Police report on the matter and let the insurance company settle the matter instead. We exchanged particulars and parted ways. I wish to inform that his vehicle sustained a small dent at the rear bumper, below the boot. My lorry did not sustain any damage. There is also an in-car camera installed in my lorry however it is currently not in working condition. None of us were injured as a result of the accident.
