Brief Details.

On 07/10/2019 at around 1035hrs, I was driving along Cairnhill Circle when the traffic light in front of me turned red. There was a car in front of me so I stopped my vehicle. All the cars in the lane was stationary as it was red light. When the traffic light turned green, I was about to move off when the car behind me suddenly hit against the rear of my car. Due to the impact, I strained my left neck and had some headache.

When I left the car to assess the damage, I noticed that my rear bumper was cracked. However, the other party was not injured so we exchanged particulars and left. As I was not feeling well, I went to see a doctor at Countryside Clinic & Surgery and was given 3 days MC for injury.
