Without Prejudice

Dear Su Wong,

We refer further to the below email.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured's is not liable of this accident. Based on your client's video (as attached), your client was driving fast and did not take preventive measure (i.e. brake) despite seeing our Insured's vehicle signal "ON" and brake lights "ON" for a period of time.

As such, we have our principal's instruction and that in view of your client that rear-ended our Insured vehicle, we are unable to look into your client's claim.

We will now close the matter in our end.

Thank you.

Hi Vic

Copy of TP video received and uploaded into merimem.

You have my mandate to reject TP claim. Reference to TP video, TP was clearly driving very fast and did not take any preventive measure (i.e. break) despite seeing OI's left signal "ON" and OI's brake light "ON" (approx. 5 secs).
