Brief Details.

To Whom it May Concern;

I parked my vehicle SLM3648B at Stadium Boulevard to buy something from Decathlon Singapore Lab, I parked at the carpark outside the building and my vehicle was stationary. I parked in line and in a proper carpark lot. When I returned to my car I noticed a big white scratch and a huge dent as well as dents on my other door. I took some photos and proceeded to go home to retrieve the video only to realise the white car, Toyota Altis, bearing number plate SJW9380D next to me slammed its door into my car, twice, as you can hear from the video. The driver of the other car is well aware she slammed her door against my car as you can see from the video she pulled back the door towards her, she then proceed to go to her rear passenger door and open it and slamming it against my car (can hear and see from side mirror) then she closed the door and went off. there are some damages to my car. She did not even bother to check on my car or take responsibility, just simply walk off. This is unfair as I parked my car properly only to encounter this with an inconsiderate driver, action must be taken towards such drivers as these kind of driver who are inconsiderate and oblivious cause Insurance premiums to go up year on year. Please kindly take action. I would want to claim for damages.

I have the video of the incident which I can submit via email if necessary.

Thank you for your kind attention and your help ahead.

Appreciate it.
Regards
Leona
