**Brief Details.**

On 01/07/2019 at about 1215hrs, I was travelling along Joo Koon Circle in my vehicle GBD9972R. As I was approaching my destination, I made a right signal and waited for a while before making the turn. I then proceeded to make the right turn with the intention of entering into the compound of 'Mazak' located at 21 Joo Koon Circle. While I was making the turn, I suddenly felt an impact on my right side. I realized a motorbike has collided onto the right side of my vehicle. I alighted to make a check and saw the motorcyclist on the floor. His motorbike bearing registration plate JRC9297 was also on the floor. Someone then called for police and the motorcyclist was also conveyed to hospital. I did not managed to exchange particulars with the motorcyclist except taking down his bike registration plate number.

My vehicle sustained slight damage which includes dents on the right side as well as on the oil box.

I have handed my in-vehicle camera SD card to Traffic Police officer who was at scene. I was then issued with a case card ref J/20190701/0076 and was advised by the Traffic Police to lodge a police report.

I wish to state that there is also a camera outside Mazak which is directed at the accident location. My company will be able to retrieve the footage to assist in the investigation.
