Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

The video footage clearly shows PC4553P(NTUC) beat the traffic light and collided into SHA7995H(our insured) & SHB4274U(your client). Based on the video evidence, we are of the view that both our insured and your client's claim should be settled by the insurer of PC4553P(NTUC).

In view of this, kindly re-direct your client's claim to the insurer of PC4553P.

Thank you.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Best Regards,
