🔗 Question

Message

Hi, no evidence from both parties. We have informed OI about third party claim. OI feedback that after the accident happened, he would like to do private settlement with third party driver. During the discussion between OI & TP, there was a car stopped, 2 guys came down and talked to OI & TP. After that third party driver informed OI that he will make insurance claim instead of private settlement. As such, OI lodge accident report for insurance purpose. Based on report, OI turned out from minor road and collided with third party who was on main road. Liability is not in our insured favour. Kindly advise if we may proceed DS on this matter. Thank you. Hsiao Tong - 10 Dec 2019
