Subject: Mechanical Inspection Report Request [URGENT]

Dear Sirs,

May I seek your assistance to perform a detailed mechanical inspection of the following 1 vehicle on an **urgent basis as the vehicle below are required to be returned to the owner ASAP:**

a) Case IAFP-IB-20191102 - Mechanical Inspection of Motor Lorry, XE1531S (TP/IP/67665/2019)

On 2 November 2019 (Saturday) at about 8.18 a.m., the Deceased on his motorcycle was travelling along the exit of Woodlands Avenue 2 from SLE (CTE), directly behind the Involved Party's motor lorry. The Deceased had swerved to his right side and was believed to be trying to overtake the Involved Party's motor lorry from the right side. As the Deceased was approaching the right rear side of the Involved Party's motor lorry, the left side of the Deceased's motorcycle side-swiped the right rear side of the motor lorry. Due to the impact, the Deceased skidded together with his motorcycle and landed behind the motor lorry. The Witness was unsure if the Deceased was run over by the Involved Party's motor lorry but confirmed that the Involved Party was within his lane and did not veer left or right before the collision occurred. As a result of the accident, the Deceased sustained multiple injuries and was pronounced dead at the scene by the attending Paramedic Nur Azhar at 8.30 a.m.

Vehicle to be inspected: **XE1531S** - Driver (Involved Party)

IO In-Charge: SIO Kamaliah
